## PA System Requirements Form

Dear Artiste,

To help us provide the best possible service for you regarding the PA system for your performance at this year's Faversham Hop Festival, we would be grateful if you would either provide a technical rider or complete this form and return it to us. You can use any of the methods outlined above to effect the return, but please make sure you do so in good enough time to allow us to prepare.

Many thanks and look forward to seeing you at the event.

Name of artiste / band ..... band name .....

How many musicians will be performing?

What instruments will require microphones or DI's (including drums / percussion)

How many vocal microphones will be required?

Will you have your own Front of House or monitor engineer with you?

Yes

No

(please circle)

Do you have any special requirements regarding the PA system?

If possible please provide a stage plan, or draw a sketch in the box below showing the position on stage of each member of the band along with the position of any microphones, D I boxes and monitor speakers which are required.
